PRZEZNACZENIE I WŁAŚCIWOŚCI:

GLITTER VERNISH TGA to lakier przeznaczony do zastosowania wewnątrz budynków, który można nakładać na wszystkie wyschnięte powłoki dekoracyjne i malarskie, a także jako warstwę wykończeniową systemu płatków. Dzięki dodatku brokatu wzbogaca on efekt estetyczny dekoracji przez obecność błyszczących punktów i dodatkowo ją zabezpiecza. GLITTER VERNISH TGA jest produktem ekologicznym i wodorozcieńczalnym.
